

REMARKS

Claims 1 through 19 are pending in this application and have not yet been examined. Applicant now adds new claims 20 through 53. Applicant respectfully submits that the claims are supported by the specification and that the additional claims are being added to further define and protect the full scope of the invention as disclosed.

Applicant further notes that an IDS was filed on June 25, 2002, and submits that the claims 1-53 are patentable over the disclosed references.

Favorable action and early allowance of claims 1-53 is solicited.

Respectfully submitted,
Gerhard A. Schneider
